BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF FLEMING COUNTY WATER	)	
ASSOCIATION, INC. OF FLEMINGSBURG,	)	
KENTUCKY FOR ORDER APPROVING CONSTRUCTION,	)	CASE NO. 92-009
FINANCING AND CERTIFICATE OF PUBLIC	)	
CONVENIENCE AND NECESSITY	)	

O R D E R

On January 2, 1992, Fleming County Water Association, Inc. ("Fleming") filed an application for a Certificate of Public Convenience and Necessity. By letter dated January 9, 1992, the Commission advised Fleming that the application could not be processed until all filing deficiencies were cured. Fleming's response, filed January 14, 1992, stated that a copy of the letter of concurrence in bid award from the Farmers Home Administration and a copy of the final engineering report would be submitted at a later date, and that a signed and sealed copy of the preliminary report had been filed.

Although the statutory time period for the Commission to process this case will not commence until the above-mentioned items are filed, the case is being dismissed without prejudice. Such action, however, does not affect Fleming's right to resubmit its entire application once all the necessary filing requirements have been obtained.

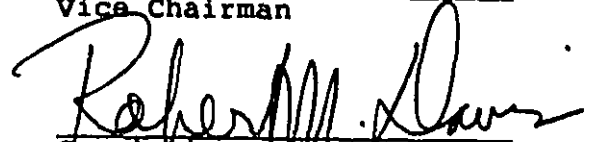

IT IS THEREFORE ORDERED that Case No. 92-009 is hereby dismissed without prejudice.

Done at Frankfort, Kentucky, this 27th day of March, 1992.
